

VNITŘNÍ SVĚT ATÚ

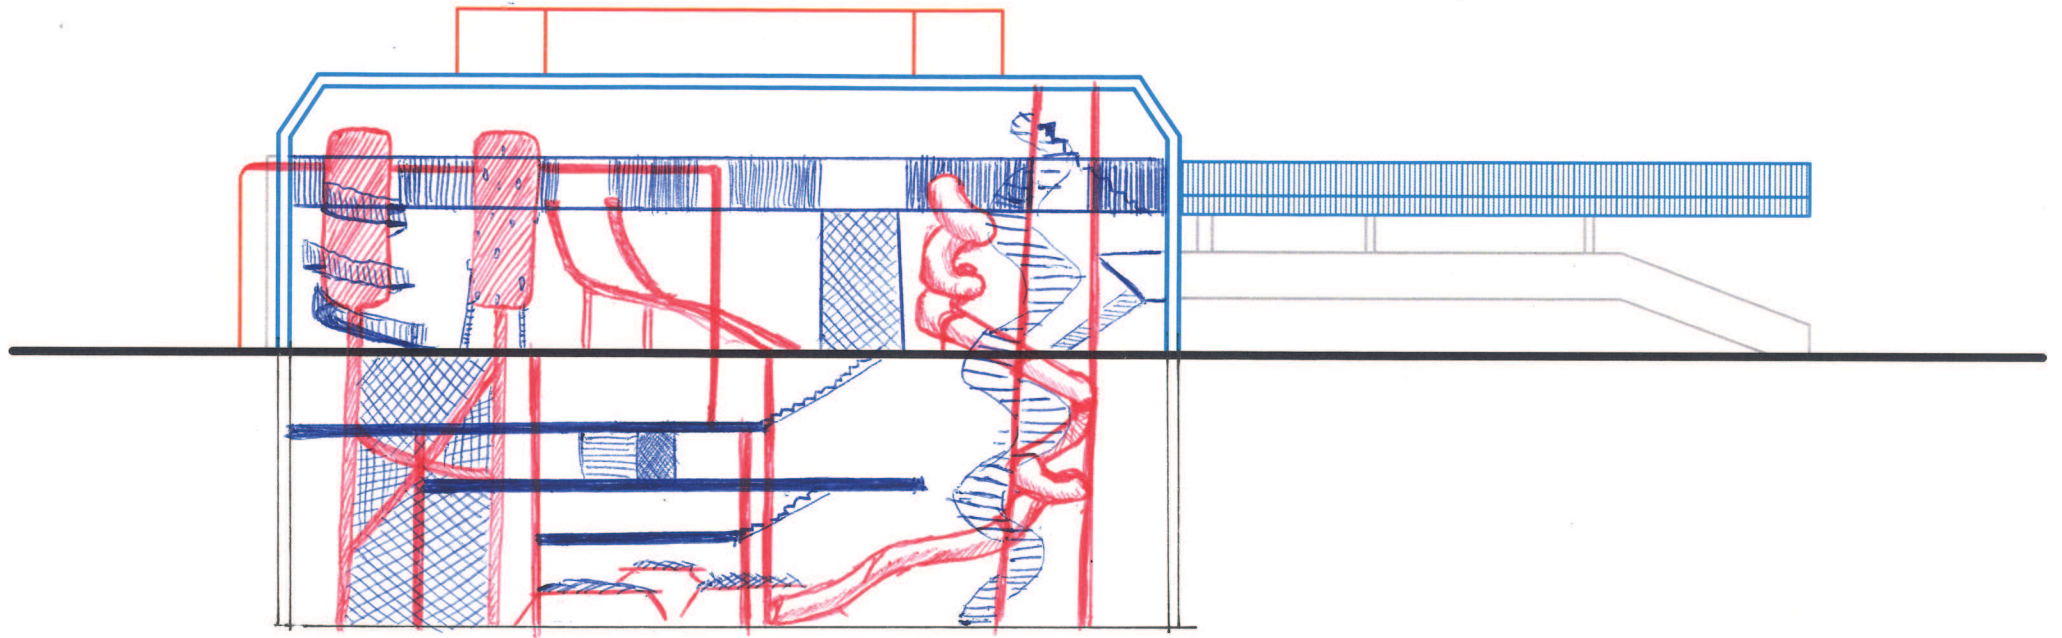

Pozoruhodná obálka s neobvyklým výrazem. Co se za ní skrývá? Jaký svět se nachází uvnitř? Jak **„VNITŘNÍ SVĚT“** budovy vnímá dítě, kolemjdoucí či student architektury? Rozhodla jsem to zjistit hravou formou, kterou neodmítne žádná generace. Za pomocí jednoduchých omalovánek může člověk upustit uzdu své fantazie či se jen zamyslet. Třeba díky pouhé omalovávce a lidské fantazii nalezneme nové využití pro tak jedinečné stavby.
